GRIMSBY SKATING CLUB
ICE SHOW INFORMATION

As we approach the end of the season, we would like to focus your attention to our
“End of the Year Ice Show”

This year's theme is **“Grimsby's Stars on Ice”**. We look forward to a very upbeat and outgoing show that will be fun and entertaining for both spectators and skaters!

Practices will begin **Monday February 26th, 2018**

Please make sure to attend all practices and arrive on time. It is very hard for our coaches to choreograph when there are missing bodies, or skaters arriving late. We have a limited amount of time to practice so we would like things to be as efficient as possible to ensure all the group numbers are well prepared for the show.

IMPORTANT DATES!!!

DRESS REHEARSAL: Monday Mar 26th, 2018 – 6:00-8:00pm (please arrive by 5:30pm)
ICE SHOW: Thursday Mar 29th, 2018 – 6:30-8:30pm (please arrive by 6:00pm)

*****PLEASE MAKE SURE TO HAND IN YOUR PERMISSION LETTER FOR PARTICIPATING IN OUR ICE SHOW ASAP*****

All Skaters

Any skaters wishing to continue private lessons will need to schedule a time with their private coach that does not interfere with their group practice. If music is involved, the music for the ice show always takes priority.

Canskaters

Ice show practice will take place on each scheduled Canskate day. Lessons will also continue for half of the session. Canskaters are to come on the day they normally skate. All Canskaters are welcome to come out for additional ice show practice and additional group lessons on days they do not normally skate. Canskate takes place on Mondays, Thursdays and Saturdays. Canskate for Hockey lessons will continue as per usual. If Canskate for Hockey skaters wish to participate in the ice show they are responsible for coming to the dress rehearsal.

Canskate for Hockey and Precan Skaters are asked to continue to skate on their normally scheduled session(s) only.

STARSkaters

STARSkaters are to come on the day of their practice; we also welcome them to skate on Saturdays from 2:25-3:10pm for some continued group lessons.

Juniors

Juniors have been split into two groups. Skaters are to come for the day of their practice. They are also welcome to come to the freeskate sessions when they do not have ice show practice.

Intermediate/Senior Freeskaters

The Intermediate/Seniors will be divided into Trio's/Quartets. It will be the parents' responsibility to pay the own coach for choreography. They are also welcome to come to the freeskate sessions when they do not have ice show practice.
